

## Saturday, Nov 7 part 2: Aphrodisias (con't)

The grounds around the city were also beautiful. Perhaps it was the time of year with the leaves turning color. Perhaps it was because it was our last day and we were appreciating every moment the way you only can only appreciate things at the end of such an amazing trip. Perhaps it was just because it is so beautiful here.

### Weddings

As we saw throughout the trip, there were brides everywhere. Here was no exception. Who wouldn't want to have their wedding photos taken at the temple of Aphrodite?

And has we headed out, we again passed through the beautiful countryside.
